Outside Catering

As well as being able to privately book the restaurant for your function we also cater for the small buffet to the large functions away from our premises.

Our menus are very comprehensive, but sourced as much as possible from our local area, including finger buffets, cold fork buffets to hot dining. The latter is dependant on cooking facilities available at the venue.

Staff can be available if required.

The menu would be framed around your particular requirements and costed accordingly.

We will deliver your buffet free within a 3 mile radius of our premises, if we supply crockery etc, we reserve the right to make a charge for collection of equipment

For that special occasion, fresh flowers arrangements can be provided too.

The above will be subject to separate quotation.

The compliments we receive are proof of our customers satisfaction.
